

List of Parts and Components Requested by the Japanese Buyers
 Japanese Component Buyer Exhibition 2008 in Budapest

| | | | | | | | | |
|---|-----------------------------|----------------------------------|----------------|------------------------------------|---|--|--|--|
| 1 | Company Name | | | | KYB Manufacturing Czech s. r. o. | | | |
| | Country | | | | Czech Republic | | | |
| | Website | | | | http://www.kyb.co.jp | | | |
| | Website2 | | | | www.kmcz.cz | | | |
| | Product | | | | Shock Absorbers for Cars | | | |
| | Interested Procurement item | | | | | | | |
| | Item | Size | Materials | Standard | | | | |
| | Cold Drawn Bar | OD 11, 37 | F113SAE1040 | EN10277 | | | | |
| | Cold Drawn Tube | ID25.00, t1, 2 OD45.00, t1, 2 | ST37-2, ST52-3 | DIN2393BK ENT0149-2, DIN1614 | | | | |
| | Stamping Parts | t3.5, t2.0 | S355MC, Stw24 | | | | | |
| | Sintered Metal Parts | | Sintered Metal | | | | | |
| | Rubber Parts | | NR1714 | | | | | |
| | Plastic Parts | | PA6 | | | | | |
| | Forging Parts | | G. G. G-60 | DIN1563- | | | | |
| | Machining Parts | | ST37-2 | DIN2393BK | | | | |

| | | | | | | | | |
|---|---|-------------------------|-------------------------|----------------------------|---|--|--|--|
| 2 | Company Name | | | | DAIKIN DEVICE CZECH REPUBLIC s. r. o. | | | |
| | Country | | | | Czech Republic | | | |
| | Website | | | | http://www.daikinbrno.cz/ | | | |
| | Product | | | | Compressor for air-conditioner | | | |
| | Interested Procurement item | | | | | | | |
| | Item | Size | Materials | Standard | | | | |
| | Casting Material & Machining Parts | (Typical) Dia 125 x 50 | FC250, FC300/ FCD600 | JIS G 5501 / JIS G 5502 | | | | |
| | Sinter Material Parts & Machining Parts | (Typical) Dia 125 x 30 | SMF4040 | | | | | |
| | Press & Machining Parts | (Typical) Dia 120 x 4 | SPHC | JIS G 3131 | | | | |
| | Small Machining Parts | (Typical) Dia 15 x 15 | S45C / SUS301 | JIS G 4051/ JIS G 4313 | | | | |
| | Pipe Machining & Brazing | (Typical) Dia 145 x 290 | SPHD / A53B | JIS G 3131, /ASTM | | | | |

| | | | | | | | | |
|---|-----------------------------|--------------------|-----------|----------|-----------------------|--|--|--|
| 3 | Company Name | | | | Czech Republic Onamba | | | |
| | Country | | | | Czech Republic | | | |
| | Website | | | | | | | |
| | Product | | | | Wire Harness Assy | | | |
| | Interested Procurement item | | | | | | | |
| | Item | Size | Materials | Standard | | | | |
| | Plastic moliding parts | 60*100*17 | PPE/PPO | | | | | |
| | Cable | 2.5mm ² | | | | | | |

×

| | | | | |
|---|-----------------------------|------------------------------------|--------------|----------|
| 4 | Company Name | Showa Aluminium Czech, s.r.o | | |
| | Country | Czech Republic | | |
| | Website | http://www.showa.cz/ | | |
| | Product | Condenser for car air-conditioning | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Extruded parts | | Aluminium | DIN |
| | Stamping parts | | Aluminium | DIN |
| | Flanges | | Aluminium | DIN |
| | Receiver dryers | | Aluminium | DIN |
| | Pipe assy | | Aluminium | DIN |
| | Plastic parts | | PA66-GF35... | DIN |

| | | | | |
|---|-----------------------------|---|--|---------------------------|
| 5 | Company Name | NSK Steering Systems Europe (Polska) Sp. z o.o. | | |
| | Country | Poland | | |
| | Website | www.nsk.com | | |
| | Product | | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Casting parts | 0.5 kg - 1.8 kg | Aluminum | Alloy 24 (AlSi9 Cu3 (fe)) |
| | Sintered parts | 0.04 - 0.11 kg | FCL-4908, FC-0208-50, FN-0405-105HT | MPIF Standard 35 |
| | Plastic parts | 0.001- 0.09 kg | POM, PA66GF30, PA6MF30 | |
| | Pressed parts | 0.03 - 2 kg | EN10111-D11 t=(2.6-5.0); S420MC | |
| | Fasteners | 0.001-0.06 kg | SCM435, SWRCH45K, SWCH10R, SWCH25K, S45C | |
| | Tubes & Machining | 0.8 - 0.9 kg | E275+A, ST44-2NBK | |
| | Forged parts | 0.16 - 0.40 kg | C25E | |

| | | | | |
|---|-----------------------------|-----------------------------|------------------------------------|-----------------------------|
| 6 | Company Name | ETO CO., LTD. Munich Office | | |
| | Country | Germany | | |
| | Website | www.eto.co.jp | | |
| | Product | | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Screws | •1.4mm~ | Steel, Stainless steel, Brass | JIS, Customer specification |
| | Turning parts | | Steel, Stainless steel, Brass etc. | JIS, Customer specification |
| | Cold forging parts | | Iron, Stainless steel etc. | JIS, Customer specification |
| | Die casting parts | | Zinc, Aluminum, Magnesium | JIS, Customer specification |

| | | | | |
|---|-----------------------------|--|-----------|----------|
| 7 | Company Name | HORIBA Automotive Test Systems | | |
| | Country | Germany | | |
| | Website | www.horiba.com | | |
| | Product | Automotive test equipment (Engine and Chassis dynamometer, | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Roller | 800kg | Steel | DIN |
| | Base plate | 2000kg | Steel | DIN |
| | Fix Frame | 900kg | Steel | DIN |
| | Support Frame | 432kg | Steel | DIN |
| | Centering Device | 340kg | Steel | DIN |
| | | | | Etc. |

| | | | | |
|---|-----------------------------|---|---------------------|---------------|
| 8 | Company Name | TD Deutsche Klimakompressor GmbH | | |
| | Country | Germany | | |
| | Website | http://www.toyota-industries.com/corporateinfo/overseas/tddk.html | | |
| | Product | Compressors for Car a/c Systems | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Bolts | -M5, M8, M10 | -34CroMo4 | -JIS,DIN etc. |
| | -Gaskets | -105*0,25 | Rubber coated metal | -JIS,DIN etc. |
| | O-Rings | 40*80 | Rubber | JIS, DIN etc. |
| | Taper Ring | 10*5 | C45, S45C | JIS, DIN etc. |
| | Seal Sleeve | 28*6 | FW6 | JIS, DIN etc. |
| | Washer Plate | -17*3 | -SK5 | JIS, DIN etc. |
| | -Seal Washer | -12*0,8 | CuZn37- | JIS, DIN etc |
| | -Seal Caps | -50*30*13 | -Nylon6-GF | JIS, DIN etc |

| | | | | |
|---|---|---|--|----------|
| 9 | Company Name | Mitsuba Automotive Systems of Europe Kft. | | |
| | Country | Hungary | | |
| | Website | www.mitsuba.co.jp | | |
| | Product | Electric component parts for Automotive | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Aluminum Die Casting | 150x150x70 | Aluminum | JIS |
| | Stamped Parts Deep Drawn Stamped parts | Thickness 0.2-5.5 3x30 - 150x250 | Hot & Cold Rolled Steel (some galvanized) Stainless Steel, Bronze | JIS |
| | Machined parts | Diameter 2.0-14 Length 10-200 | Low carbon Steel shaft | JIS |
| | Cold Headed parts | Diameter 3-15 Length 5-50 | Low carbon Steel | JIS |
| | Powdered Metal Parts | Diameter (OD) 9-30 | Steel, Bronze, Copper | JIS |

| | | | | |
|----|-----------------------------|--|-------------|---------------|
| 10 | Company Name | Hi-Lex Hungary Kft | | |
| | Country | Hungary | | |
| | Website | | | |
| | Product | Mechanical Control Cables for Automotive | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Turned components | | steel | JIS, DIN etc. |
| | Sheet metal parts | | steel | JIS, DIN etc. |
| | Rubber molding parts | | Rubber | JIS, DIN etc. |
| | Plastic molding parts | | Plastic | JIS, DIN etc. |
| | Wire rope | | Steel, Sus, | JIS, DIN etc. |

| | | | | |
|----|-----------------------------|------------------------|-----------|----------|
| 11 | Company Name | Euro EXEDY Clutch Ltd. | | |
| | Country | Hungary | | |
| | Website | | | |
| | Product | Clutch Assy | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Press parts | ~3.2 | SPHC | JIS |
| | Casting parts | φ 200 | EC250 | JIS |
| | Forging parts | | S48C | JIS |

| | | | | |
|----|-----------------------------|--|------------------------------------|--|
| 12 | Company Name | Denso Manufacturing Hungary Ltd. (Denso Gyártó Magyarország Kft.) | | |
| | Country | Hungary | | |
| | Website | www.denso-europe.com | | |
| | Product | Diesel Injecton Systems & System Control Componenets | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Stamping parts e.g. | Dia.23,4 x t1,6+/-0,1 | Steel | DINEN10130-DC01 |
| | Turning e.g. | Dia.11< x 11< | Aluminum, Steel | DC12, 16MnCrS5, 100Cr6GKZ, X10CrNiS18-9 etc. |
| | Machining | | | |
| | Die casting | - | - | - |
| | Surface treatment | - | Chromate, phosphate, blackening | MFZn1H1,S, KFP1-DRP3, KFD1-DRP3 |

| | | | | |
|----|--|---|-----------|----------|
| 13 | Company Name | Taiho Corporation of Europe Kft. | | |
| | Country | Hungary | | |
| | Website | http://www.taiho.hu | | |
| | Product | Automotive parts (Plain Shaft Bearing, Piston Shoe, Others) | | |
| | No. of booth | 1 | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | See the detail in an attachment | | | |

| | | | | | | |
|----|-----------------------------|---|--|--------------|-------------------------------|-------------------|
| 14 | Company Name | Toshiba International (Europe) Limited | | | | |
| | Country | UK | | | | |
| | Website | www.toshiba.co.jp/procure/en/ipo/london.htm | | | | |
| | Product | International Procurement Office in Europe for World Wide | | | | |
| | Interested Procurement item | | | | | |
| | Item | Size | Materials | Standard | | |
| | Name of parts | V-code | Description | Size(mm) | Material | additional |
| | 32AV FrontBezel | VF1A00250200 | Plastic Molding Parts (Front Bezel for TV) | 800*600*32 | PC/ABS | Silk screen print |
| | | | | | Injection M/C 850ton-1000ton | or Tampo print |
| | 32AV BackCover | VF1A00250100 | Plastic Molding Parts (Back Cover for TV) | 800*600*110 | HIPS | |
| | | | | | Injection M/C 1000ton-1300ton | |
| | Laminated Bag | 23945206A | Protective Bag for TV set | 1450*1000*10 | HDPE Film + PE Form | Care mark print |
| | Wire Harness | V90A00124000 | Cable + connctor | 30*300*5 | | |
| | | V90A001372A0 | Cable + connctor | 30*500*5 | | |
| | | V90A00128600 | Cable + connctor | 10*450*5 | | |
| | Gasket | VD9A00005200 | Conductive cussion | 40*20*20 | | |
| | | VD9A00005300 | Conductive cussion | 30*15*10 | | |
| | Owner's Manual | VX1A00107600 | Manual Book 232page | 150*210*14 | Paper | Black&White |
| | | VX1A00105400 | Manual Book 192page | 150*210*10 | Paper | |
| | | VX1A00105600 | Manual Book 62page | 150*210*5 | Paper | |

| | | | | | | |
|----|-----------------------------|--|-----------|----------|--|--|
| 15 | Company Name | Hitachi Automotive Systems Europe Ltd. | | | | |
| | Country | U. K | | | | |
| | Website | | | | | |
| | Product | Electronic parts for car | | | | |
| | Interested Procurement item | | | | | |
| | Item | Size | Materials | Standard | | |
| | Casting parts | 130x200x10 | Aluminum | | | |
| | Pressed parts | 130x200x30 t0.6 | | | | |

| | | | | |
|----|--|---|---------------------|--------------------------------|
| 16 | Company Name | TOYOTA BOSHOKU Europe NV | | |
| | Country | Belgium | | |
| | Website | http://www.toyota-boshoku.co.jp/ | | |
| | Product | Metal and Plastic parts - Automotive seats | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Injection molding parts | Small & Medium | PP/PE, POM, ABS.etc | Pls find details in attachment |
| | Sheet Metal Stamping | | Metal | Pls find details in attachment |
| | Wire Bending | | Metal | Pls find details in attachment |
| | Pipes and Rods | | Metal | Pls find details in attachment |
| | Assembly | | Plastics & Metal | Pls find details in attachment |
| | See the detail in an attachment | | | |

| | | | | |
|----|--|---|-----------|---------------------------|
| 17 | Company Name | Nabtesco Corporation Tarui Plant | | |
| | Country | Japan | | |
| | Website | http://www.nabtesco.com | | |
| | Product | Wind Turbine Equipment · Reduction Gear · Hydraulic Equipment | | |
| | Interested Procurement item | | | |
| | Item | Size | Materials | Standard |
| | Electric Motor for Wind Turbine | 2~5 kW 3phase with Brake | Casting | IEC-60034-1 (CE, GSA, UL) |
| | Gear | φ 340 × W160 (Module20, Teeth14) | 18CrNiMo7 | ISO (DIN, JIS) |
| | See the detail in an attachment | | | |
